Remember...

A Cub Scout should wear his uniform to all pack meetings. The uniform shirt should be tucked in and, if the neckerchief is worn, it should be properly secured with a scout slide.

Cub Scouts begin all meetings with the Pledge of Allegiance and the Cub Scout Oath. All Cub Scouts are at attention and silent during the Flag ceremony. Respect is shown to the flag, your leaders, and each other at all times.

About Our Organization...

Pack 199 has been in existence for 30+ years, chartered by Our Lady of Lourdes Parish. During that time hundreds of boys have gone through the Scouting experience and on to roles in the community where they practice daily the fundamental lessons they learned in Scouting.

Our founder, Lord Robert Baden-Powell, described Scouting as "A Game with a Purpose". Scouting is focused on building character and promoting spiritual growth, good citizenship, sportsmanship, and HAVING FUN.
